

RACER

Our horse floats are 100% Australian owned, designed, manufactured, and made with Australian materials.

2HSL RACER

Rowville 2HSL Racer: Your Path to Safe and Enjoyable Horse Trips

Rowville Horse Trailers is renowned for performance and reliability. Our 100% Australian-made Horse Float ensures comfortable and safe transport for your horses on long trips to the races. We're excited to announce our new model tailored specifically for horse trainers.

Key Features:

Compact Yet Spacious: The 2HSL Racer is small enough for easy towing, yet spacious enough to accommodate a wide range of horses. It's your ideal everyday companion for various equestrian activities.

Thoughtful Design: Our float showcases both standard features from our straight load fleet and unique elements. Notable features include snap-shut rump bars and padded, curved, and adjustable chest bars—ensuring comfort for every horse.

Value Comparison: We encourage you to compare the 2HSL Racer with other market options. What sets us apart? Our commitment to providing essential features as standard, while competitors may offer them as optional extras.

Customization Options: Just ask! We offer optional customization to tailor the float to your specific needs.

The Best Bits:

- **Electric Brakes:** Safety is paramount, and our standard with 4 electric brakes ensure controlled stopping power.
- **Solid Aussie Hardwood Floor:** Trust in the durability of our kiln-dried hardwood floor.
- **Adjustable Chest Bars:** Accommodate horses of varying sizes with ease.

Invest in the Rowville 2HSL Racer—a float that combines affordability, safety, and joyous journeys.

2HWB RACER

Discover the 2HWB Racer: Where Space Meets Comfort

Are you transporting larger-than-life horses or those who appreciate room to stretch during travel? Look no further than the 2HWB Racer—a float designed for those who require extra space for body movement, rein length, and balance.

Key Features:

Wide Bay Design: "The 2HWB Racer showcases all the essential features found in its smaller sibling, the 2HSL Racer. Let's explore what makes it exceptional.

Deep Snap-Shut Breaching Gates: Secure your horses effortlessly.

Adjustable Curved Chest Bars: Accommodate varying horse sizes with ease.

One Personal Access Doors: Convenience at its best.

Popular Choice: The 2HWB Racer is favored by equestrians with bigger horses or those prone to scrambling. Its spacious layout ensures a comfortable journey.

The Best Bits:

Ample Front Room: Horses can lower their heads and clear their airways during long trips.

Big Padded Bays: Comfort is paramount.

Divider without Rear Leg: Streamlined design for safety.

Fully Enclosed: Minimizes road noise for a serene travel experience.

Invest in the 2HWB Racer—a float where size meets sophistication.

Discover the Legacy of Rowville Horse Trailers: Pioneering Excellence Since 1982

At Rowville Horse Trailers, our journey spans **43 years** in the equine transport industry. Our unwavering commitment to quality and safety has solidified our position as a trusted name across Australia.

Made in Melbourne, Victoria, Rowville Horse Trailers have been building Aussie Horse floats since 1982.

With our attention to detail and use of high-quality materials, you can trust that your horse will be safe and comfortable during transportation.

Our floats are also designed to be visually appealing, with custom finishes available to suit your individual style.

We understand the importance of providing a safe and stress-free journey for your horse, which is why we go above and beyond to ensure every aspect of our floats is of the highest standard.

From the sturdy construction to the innovative features, you can rest easy knowing your horse is in good hands when travelling in a Rowville float.

Choose Rowville for a float that not only looks great but also provides the ultimate in safety and comfort for your horse.

At Rowville we pride ourselves on presenting arguably the safest, most beautifully finished float on the market.
